STEP 29: MAHIRO'S DOUBLE DATE

Note: Fried chicken is a traditional Christmas meal in Japan, thanks to a popular ad campaign featuring Colonel Sanders dressed like Santa.

Q.NIMAI:
IM NOW YOUR SISTER!

STEP 30

Note: Like the the Times Square ball drop in the US, in Japan the new year is ushered in by ringing a temple bell 108 times.

Note: Soba noodles are eaten on New Year's Eve because they break easily, representing breaking off hardships from the previous year.

STEP 30: MAHIRO RINGS IN THE NEW YEAR

Note: Mahiro is making *mochi*, a traditional New Year's food.

Note: Ozoni is a miso soup containing *mochi*, eaten on New Year's.
Osechi is a set of box-lunch-like meals prepared in advance, as it's bad luck to cook for the first three days of the year.

GOOD GIRL...

YES!

■ Afterword

Thank you for picking up Onimai! volume three! How did you like the lively yet peaceful middle school arc? It seems Mahiro-chan has finally gotten used to his new life as a middle schooler. Will he ever be able to return to his old way of life? Does he even want to?! Please look forward to the next chapter of my laid back little gender-bender story!

Thanks to your support, we've just completed a second independently produced drama album! We even convinced Mahiro's voice actress to sing a character song for him, so it's a truly deluxe product! You can pick it up now from certain specialty stores or most online retailers! [Drama album available in Japan only.]

We're still selling the self-published issues, too!
